

# Hikmat Ullah Khan

## Wordpress Developer

I'm a forward-thinking WordPress developer with over 5+ years of experience creating e-commerce, music, blog, and other type website. Proficient in developing production-ready, tested, and supported web applications using core web techs. I specialize in crafting websites using custom themes, plugins, and page builders. I focus on creating elegant, smooth, and animated interfaces while optimizing SEO manually. My expertise includes JavaScript, CSS, PHP, WordPress hooks, and more

## PROJECTS

### Dermaflage.com (wordpress WooCommerce store)

CPS

- The website I created using WooCommerce on WordPress is called Dermaflage. It's a unique platform offering makeup solutions to cover tattoos, acne, wrinkles, and scars, mimicking real skin. This innovative makeup helps individuals easily conceal scars, frown lines, and other imperfections, providing a natural-looking solution for various skin concerns.

### Moarr Music (Music based)

Name of the institution that issued/awarded it

- They providing musics, discussion forum, online streaming(Tech Used Web RTC)
- Admin providing competition for artist and user ranking them by vote. Admin sending prize via Online (Tech Payment Stripe Integ ).

### philiptweedie.com Philip Tweedie(Real Estate)

AIVATEK

- Real estate websit, where user can book flat via Rent and Buy. UK

### Armaghsports.co.uk

AIVATEK

- I offered tailored solutions by developing custom functionalities and resolving bugs for the Armagh Sports & Trophies website. This involved fine-tuning custom plugins and integrations. Additionally, I provided consultancy services and contributed to planning additional functionalities to be integrated into the site's roadmap. The Armagh Sports & Trophies website serves as the hub for local sports online.

### Ecommerce based websites.

CYBER PEAK SOLUTION

- Its multi vender products base web app(site). where user can order the products and Admin proving it to them. online payment integration. Flexible, animated products images, responsive, fast, google well rank consolded.
